HISTORIC AMERICAN BUILDINGS SURVEY

MONTAGUE HOUSE

HABS No. MO-1474

Location: Glasgow, Howard County

HISTORICAL AND ARCHITECTURAL INFORMATION

The following information was recorded by Alexander Piaget and Charles van Ravenswaay at the time the photograph was taken:

Built ca. 1855. The length of the windows is an unusual feature in Howard County, and give the heavy mass of the square house a spacious dignity which it would not otherwise have.

PROJECT INFORMATION

The Piaget-van Ravenswaay Survey consists of a number of photographs, primarily of sites and structures in Missouri, which were taken before 1938 by Alexander Piaget and after that by Paul Piaget, both in conjunction with Charles van Ravenswaay. Photographs of buildings were incorporated into the HABS collection in 1985 by Laura Rupp and in 1986 by Deborah Fulton, HABS historians. A master list is available in the [REDACTED] records for MO-1800.
